House Committee Will Consider Proposed Changes in Senate Measure.

MAY FAVOR SUBSTITUTE

Delegations from the Citizens' Conference on Universal Transfers, Columbia Typographical Union, the Chambler Commerce, Central Labor Union, and other organizations will join in a discussion of the merits of the Senate bill and the substitute offered by Charles W. Commerce, Central Labor Union, and other organizations will join in a discussion of the merita of the senate bill and the substitute offered by Charles W. Durr to-night at the hearing held by the House District Committee Despite the absence of Representative Dyer, of Missouri, who was to have brought the minority members of the committee to the hearing, a quorum will attend the sension if those members who yesterday agreed to be present put in an appearence.

basying, a quorum will attend the sewision if those members who pastered as agreed to be present put in an appearance.

May Sahetitute New Bill.

The discussion to-night centers on the divisability of favorably responding the moderability of favorably responding the members of the District Commissioners for the Mouse Committee are opposed to the House Committee are was the assertion made by members in the House that it stand be subcommittee an excise legislation in the size in the House that it shall be such committee and the three the House in the House made and what it shall be such that it shall be such that it is shall be used and what it shall be such that it is shall be used for. This, they declar, would enable the white it is shall be used to the proper and the three has a treatment of the House what a transfer him which could be put upon the law of the District Committee, which in turn, will see it to the Scatte Committee, which in turn, will see it to the Scatte Committee, which in turn, will see it to the Scatte Committee, which in turn, will see it to the Scatte Committee, which in turn, will see it to the Scatte Committee, will not be abolithed, but any paragraph whith the All the scatted in the House by Chairman Johnson, of the District Committee, will not be abolithed, but any paragraph will the Committee will get the All the scatted in the House by Chairman Johnson, of the District Committee will feel to the all now and the paragraph will the Committee will be sharinged to the samp

son, of the home paragraph by paragraph with the Gallinger bill.

It is doubtful, even in the event of a quorum, whether the committee will favorably report either bill. Action on the measures is not expected before the regular committee meeting next Friday, when it is expected that the measure drawn up by Mr. Dur will be offered in the form of an amendment to the Fenate bill. An early conference on the two measures will then be arranged.

AGREE ON TOWNSEND BILL.

Men Accept Amendment.

Men Accept Amendment.

Attorneys representing both the moving picture inpressis and the theatrical dramatints accepted yesterday, following a hearing before the House Committee on Fatestia, the new bill introduced by Representative Townsend, of New Jersey, amending his former measure with respect to infringements of copyrights. The new bill provides that where such infringer shows that he was not aware him to the provides that where such infringer shows that he was not aware him to be a such as the such as the provides of the sum of simmings recoverable by the copyright proprietor shall not exceed the sum of 5,000.

CHANGE HOMESTEAD LAWS.

House Cuts Time of Residence from

Bise to Three Years.

With a view to checking immigration Canada, the House yesterday passed till amending the homestead laws so to require only three years' residence a homestead before a patent is leased, se existing law requires five years' sidence.

Speaker Chark and other House leaders favored the change, and a similar bill has passed the Senate. The differences in the two bills, which are minor, will be adjusted in conference.

Taft Sends Nominations.

President Taft yesterday sent to the soate the following nominations: David A. Utter, of Idaho, to be sur-eyer general of Idaho.

Here is Senator Ditoria comment:

"The performance in New York yesterday leads a special emphasia to the
demand that we have made from the
heginning of this contest for a fair Presidential preference primary.

"The affair in New York was in thorlong keeping with the tactics employed
by the Tath sinchine alsewhere throughout the country. It is not surprising that
in their despectation over the dragging
candidacy of their leader the Tart managers should adopt such factics, but it
is amazing that they should be able to
foot themselves into the belief that the
rank and file of the Republican party in
the country will not resent such actions."
